

LUNENBURG HERITAGE SOCIETY

Membership Report 2009

During the year, we received 114 paid memberships, which is up from the 78 memberships paid in 2008. Of these 114, 76 were renewed after the AGM, the result of two or three reminders.

Donations accompanying memberships totalled \$1,410, up from last year's \$1080.

In terms of recruiting new members, I suggest following up on previous Membership Chair Pat Smith's suggestion that we ask the Town if we can include a flyer with the power bill in February of next year (we did not do that this year).
