

2009 AGM – Heritage Advisory Committee Liaison Report – Colin Edwards

As a representative from the Lunenburg Heritage Society I attended monthly meetings of the Heritage Advisory Committee (HAC) and participated in discussions with:

Chair Councillor Rachel Bailey

Councillor Peter Zwicker

Planning Development / Heritage Co-ordinator Madelyn Lemay

Deputy Town Manager / Clerk Peter Haughn

and

Committee members: Colin Edwards, Peter Greer, Margaret Murray and Don Wilson.

Various site visits were held and recommendations made to Council to issue heritage permits to allow the improvement requested.

The HAC reviewed and discussed monthly log of development permits and applications for certificates of appropriateness.

I participated in discussions regarding the Heritage Conservation District Plan and By-law and alternation guidelines, substantial vs. non-substantial.

Respectfully submitted by Colin Edwards
