### CLAUDINE LANGILLE & BILL PLASKETT

Claudine and Bill's styles & sound blend comfortably together, as you would expect from two long-time friends. With an edge of older, simpler times their music is as warm and soothing as a gentle summer afternoon. Though now making her home in Connecticut, Claudine's roots are in Lunenburg County. A one-time resident of our town, Bill now lives in Halifax and -yes- he taught Joel everything he knows, (or is it the opposite ?)

### THE UKELADIES

Radiant with the inspiration of love, The Ukeladies' message resonates through all your senses long after each songs triumphant finish. Brought together by an affinity for folk harmonies and reggae rhythms, siblings Mary-Grace and Selah Koile adopted Katharine Langille in the summer of 2007 and have since been delighting crowds in wonderful harmony accompanying themselves on, as their name suggests, ukuleles.

In case of rain, concerts are held in the hall of Central United Church, across from Bandstand.
